

## **After-school Pick up**

We will be picking dancers up from Umatilla Elementary School and Pinecrest Academy Tavares for the 2021-22 dance season. Our pricing schedule for picking up dancers includes dismissal, transportation, supervision before classes begin and snack. The following are the procedures for school pick up.

1. You must send a note to the school letting them know which days your dancer will be picked up by Dance Depot. If for any reason your dancer is not going to be picked up (illness, early check out, school absence) you must let Ms Jolene know by text at 352-455-3590 before noon on the day of the absence. Keeping a timely schedule is not possible if we are delayed because a child is not at school. Failure to report an absence may result in transportation termination.
2. We will follow the regular school calendar for pick up days including early release Wednesdays. However, we will NOT pick up dancers on early dismissal days due to testing. We will also not pick up dancers on non dance days according to the calendar in the Welcome packet.
3. If your dancer is being picked up and attending class in the first hour of classes the daily charge is \$4.00. We will provide a snack and drink and make sure that the dancer is dressed for class in a timely manner.
4. If your dancer is being picked up and attending class in the second hour of classes the daily charge is \$6.00. We will provide supervision until class begins, make sure that the dancer is dressed for class, provide a snack and drink and get started on any homework.
5. Dancers may leave a bag with their shoes and clothes at the studio on a designated shelf. Even though snack is provided, dancers may bring a daily snack if they so choose or purchase something from the snack machine.
6. Pick up is pre-billed with the monthly tuition for the designated days and there are NO refunds given.
